Many thanks for your letter of 17 August 1981.

I regret the long delay in responding to your letter, but I wanted several officers on my staff to review your "Five-by-Five Formula." They advise me that several aspects of the system you proposed have been incorporated into our training programs over the last 10 or 15 years.

I appreciate your continued interest in the Agency, and I hope this letter finds you in good health.

Yours,

William J. Casey
Director of Central Intelligence
